

Tech Telescope

– Technik Debate competition

The organising team of Technik in collaboration with Debsoc brings to you “Tech Telescope”, a debate competition where participants are encouraged to critically think of impacts that existing and emerging technologies have on society. The details of the competition are as follows:

- Open for all IIITB students.
- Teams of two can register.
- Consists of two rounds:
 - Round 1: Each registered team will be assigned a topic and motion. The time allotted will be conveyed. The first round will be held from 1.30 p.m. till 4.00 p.m. on 17th April 2021(Saturday).
 - Round 2: Four teams from Round 1 will be selected by the judges, and the topic for the second round will be declared in advance. The motion for/against will be assigned for the selected teams by the judges. The second round will be held from 10.30 a.m. till 1.00 p.m. on 18th April 2021(Sunday).
- The two highest scoring teams will be declared as winners and runners-up, respectively. The winners and runners-up will be awarded Rs. 2,000/- and Rs. 1,000/-, respectively.
